

Welcome SWSCC to 2022

Your board
would like to
thank everyone
again for the
involvement in
2021 and hope it
continues

This is the 1st
installment of
the 2022
newsletter.

Here you will
find info of
upcoming
events as well
as other info
from YOUR
chapter.

Letter from the Chair: Chrissy Burton

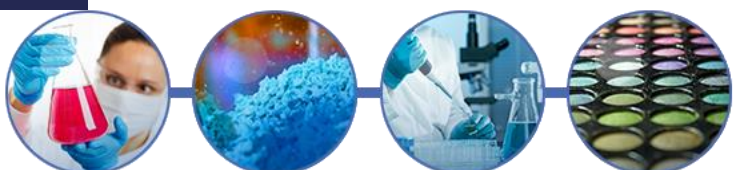

Well wishes to all our members as we enter 2022. We have excelled through the past couple of years despite the many challenges.

Last year was educational and fun and we enjoyed many events that allowed us to network and socialize again. I truly believe that the virtual webinars that we were forced to accommodate are now benefiting our chapter with higher attendance, more flexibility, and unique presenters and topics. While we will continue to plan some in person education and social events this year, we are also excited to incorporate the new virtual platforms into our educational mission.

Supplier's day is going to highlight our year and allow us to spotlight the thriving personal care industry in the Southwest. Keep checking for details on our other upcoming events on our website as well as our LinkedIn and Facebook page.

If you would like to volunteer and help the board with monthly meetings, social events such as the golf tournament or brewery trunk or treat, or possibly help in other areas like student outreach, please contact myself or anyone on the board. The more involvement, the better! This is your chapter, and we want each member to feel connected and know that your contributions are what makes us stronger every year!

Thank you to all who renewed their memberships or referred a colleague and as always, thank you to our amazing sponsors and suppliers! Cheers!

More about the Chair

Chrissy started a career as a hairstylist in 2007 and quickly found interest in the chemistry of hair styling products and how the different ingredients worked. She went back to school and pursued a chemistry degree at University of North Texas with a goal to become a formulator. Chrissy now has around 10 years of experience as a formulator and works as Director of Research and Development for Botanical Science Inc. in Carrollton, TX.

Aside from science and beauty, she loves sports, outdoors and traveling. She plays ice hockey and soccer and enjoys sharing her love of sports with her two boys, Nate (6) and Jake (4). She and her husband also love racing, cars, riding motorcycles, and traveling in their RV.

Another fun fact about Chrissy is that she loves art and has recently started exploring epoxy resin art and live edge river tables.

Kisolite[®] BMP
BIOGENIC MINERAL POWDER

INNOVATION REDISCOVERED

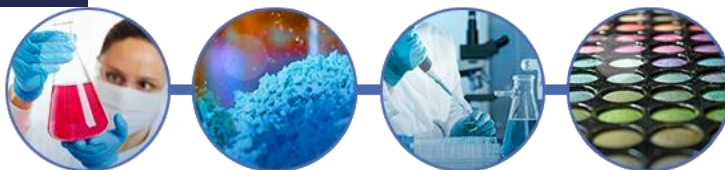

All Natural. Mineral-rich.

Kisolite[®] BMP Biogenic Mineral Powder's unique physical properties strengthen the skin's barrier, leaving it feeling refreshed and protected. Ethically harvested and processed without the use of harmful chemicals, Kisolite[®] BMP is safe and ideal for personal care applications including: lotions, lip balms, face masks, salves, shampoos, and more.
